competition description

The coverage of the competition reflects the relative significance of particular beauty therapy tasks within the work role.

A consultation sheet will be given to competitors on the day of the competition.

The regional competition will have the duration of 3 hours 15 mins. This will be split as follows:

Task 1: Warm waxing

30 minutes then 10 minutes break for assessment

Half a leg wax on both legs from ankle to knee (including knee). Spatula method must be used and gloves must be worn at all times. The model must have visible hairs beforehand to enable judges to judge competitors effectively.

Task 2: Manicure

45 minutes then 10 minutes break for assessment

A manicure on both models' hands will be carried out. The nails are to be filed, Cuticles work including cuticle knife, cuticle nippers if required, hand & arm massage and polished. Dark nail varnish is to be used.

Task 3: Facial plus full day make-up

90 minutes then 10 minutes break for assessment

A facial is to be carried out and should include the following processes: cleanse, massage, mask, tone & moisturise. No electrical equipment is to be used.

Full day make up should then be applied. This must include the application of the following; foundation, loose powder, blusher, highlighter, concealer, eyeshadow eyeliner, mascara, lip pencil, lipstick and/or lip gloss.

A beauty therapy practitioner is expected to have relevant theoretical knowledge and will be expected to answer oral questions related to the above tasks during each of the above tasks and/or within the assessment time allocated to each test.

The UK Final will have different criteria. These will be released two months before the date of this competition.

marking and assessment

A panel of five judges have been drawn from industry, colleges and training providers. The judges' decisions will be independently moderated and quality assured before being confirmed.

A minimum of three judges from the panel will attend each regional heat. If you win a regional heat we celebrate your success straightaway. After the last regional heat is complete an announcement of those who got through to the UK Final will be announced by email.

NB: The top candidates achieving the highest marks in the regional heats will be invited to the UK final. There is no automatic entrance to the UK final for regional winners. UK Skills will inform finalists following moderation of marks from the regional competitions. Gold winners from the heats may not necessarily go through to the final and those who have not gained a place at a heat may have gained a significantly high mark nationally to make it into the final.

If you would like to find out how to become part of the judging panel in the future please contact the competition organiser (details on page 2).

Assessment will be through:

- Observation
- Inspection of completed tasks
- Short oral questions

If a competitor has a complaint on the day it is advised that this be discussed with the host, head judge or UK Skills representative on the day. This will ensure that any problem is cleared up as soon as it occurs. If this is not possible a verbal complaint should be made by phone to the relevant competitions manager at UK Skills as soon as possible after the competition. If a satisfactory outcome is not obtained at this stage then the formal complaint procedure will be initiated following the competitor (or representative for the competitor) writing a complaint letter to the competitions manager.
