

Competition training

Presented by Graftons

Course overview	This unique workshop brings a taste of competition to you. The aim is to give you an insight of what to expect from a competition, what judges look for and learning the tricks of the trade from competition winners.
Course content	We can provide competition training in Pink and White Enhancements or Design and Nail Fantasy. All classes cover the following: <ul style="list-style-type: none"> • Have a clear expectation of what is involved in competing • Know why competing can benefit you as a nail technician • Look at the difference between salon nails and competition nails • Produce at least 4-5 competition standard nails • Nail fantasy and design • Look at different aspects of fantasy and design and why it is valid in the industry today • Breaking down the different ways of developing design and implementing it • Finding inspiration and translating this onto a nail
Additional information	Products and tools can be provided for training if you require. Please discuss this more when booking your CPD training
