

WorldSkills UK National Competitions 2021

This document contains links to the relevant competition pages on the WorldSkills UK website.

We are committed to ensuring that competitions can be delivered safely and effectively and therefore we have adapted competition delivery for the 2021 cycle.

Competitions will take the form of either:

1. Localised delivery: the competition will take place at the competitor's college, training provider centre or workplace.

2. Online delivery: the competition can be carried out from anywhere.

All competitions will be assessed remotely.

Sector	Competition	Level*	Competition Organising Partner	Delivery
Digital, Business and Creative	3D Digital Game Art	Level 3	Cheshire College South & West	Online
Digital, Business and Creative	Accountancy Technician	Level 3	KAPLAN	Online
Engineering and Technology	Aeronautical Engineering: Mechanical	Level 3	WSUK	Localised
Engineering and Technology	Automation	Level 3	Middlesex University	Online
