

Hairdressing Competition

Pre Competition Activity

Project Title

Commercial Ladies Cut and Colour – 3 Hour Test

Project

This pre competition Activity is designed to demonstrate your skill and creativity within Ladies Hairdressing and for you to gain experience in competition activity leading into the World Skills UK National Competitions

We would like you to produce a commercial look combining your cutting and colouring skills, within a 3 Hour timeframe

Your Finished look should be reflective of current fashion trends in all aspects of the completed look.

The Rules

This test is a 3 Hour Test

The completed look **MUST** be produced on Mannequin head **TH1137** (purchased from Banbury Postiche)

Competitors will be required to produce a commercial Ladies Fashion Cut & Colour,

Competitors will be judged on the combination of cutting, colouring and styling / Finishing skills, and the continuity of the total look

Your Finished look should also be reflective of current fashion trends in all aspects of the Cut, Colour and finished Style.

You will be required to carry out your look on the same mannequin head ,**TH1137**,

This test is intended to allow competitors to express creativity; designs should be pleasing to the eye, reflect current Fashion trends in cut, colour and Style without being extreme in form, and showcase the skills of the individual competitor.

Marks will be awarded for:

- cut
- colour
- styling & finishing
- continuity of design.

Cut:

- shape
- balance
- reflection of original image
- creativity in all aspects of the design.
- the completed look will be judged on creativity and line in all aspects.

Colour:

- should enhance cut
- creativity in Placement
- choice of shade's used
- degree of difficulty
- cleanliness in result
- health & Safety (marks will be deducted for lack of health & safety rules i.e: PPE)
- commercial use of colour (marks will be deducted for excessive wastage of colour product).

Styling & Finishing:

- inspiration and creativity in the feminine form
- cleanliness of finish
- balance & Shape
- use of styling products
- finish should reflect the style created.

Continuity of Design:

- overall design shows a continuity in all aspects and a Degree of difficulty.
- balance
- total Look
- continuity of all elements (Style / Colour).

NOTES:

- health and safety must be adhered to at all times throughout the competition
- the hair may be cut to any desired length
- all cutting tools , with the exception of Clippers, and techniques may be used
- you may use any type of colourant on the hair
- any number of shades may be used
- any technique of application is accepted
- 100% of the hair must be coloured
- you may use any type colour from any professional colour brand portfolio
- any number of shades may be used
- any technique of application is accepted
- when mixing, applying and removing all colour, full PPE must be worn
- all styling products are allowed
- all styling tools are allowed
- all finishing techniques are accepted
- finish should reflect the style created and the current Female Fashion market
- should show artistic lines in cut and colour to enhance finished look
- **no** postiche to be used
- **no** ornamentation is allowed
- **no** makeup to be added to the mannequins
- **no** jewellery to be added at any time.

Tools and Equipment

All competitors will be required to bring ALL required tools and equipment, including all colours and styling products, tripods, mannequin heads and all required PPE.

Mannequin Requirements

You will be required to bring the following mannequin heads

1 x TH1137.

All mannequin heads are available from Banbury Postiche (www.banburypostiche.co.uk)

Marking and Assessment

Your completed look will be marked on the following factors and calculated to give a total score

- execution of Design / Cut – 30%
- execution of Colour –30%
- styling and Finish – 25%
- continuity of Design – 15%

For all criteria and their aspects the following marking scale will be used:

- 1. the work does not represent performance that meets industry standard**
- 2. the work represents performance that meets minimum industry standard**
- 3. the work represents exceptional performance above industry standard**
- 4. the work represents exceptional performance well above industry standard**

Once marks have been agreed for each aspect of criterion, for each competitor, these will then be converted to obtain an individual weighted final score for each competitor.
