

SKILL-BUILD

DELIVERED BY CITB ■

CORE COMPETENCIES

Wall and Floor Tiling

To take part in this competition you should be able to:

- Read, understand and be capable of interpreting drawings, specifications, manufacturer's instructions
- Plan and organise work and resources
- Demonstrate effective time management – this is a key area for all competitors (do not finish too early and compromise accuracy but you must also get the project completed on time)
- Take dimensions from drawings, setting out accurately and accurately measuring components for cutting.
- Use various hand tools as detailed in tools list and wet cutting machines (limited access under supervision)
- Setting and forming external corners using materials provided
- Set out decorative and detailed tiling to include accurate measurement, forming uniform joints, radial work, level plumb, surface alignment, grouting and polishing
- Keep the work area clean and tidy
- Work in a safe manner
