

## SkilleLECTRIC 2023 Competition Journey

**1 PRE-COMPETITION** Use the Pre-Competition Guide to help you identify the best candidate(s) to enter into SkilleLECTRIC.

You can register for SkilleLECTRIC via the WorldSkills UK website between 27 February and 24 March 2023.

All those who register will complete an app-based task against the clock which will be scored and ranked.

The highest scoring competitors from across the UK will be invited to take part in a national qualifying heat.

**4 QUALIFYING HEATS** Between April - June a series of live national qualifying heats will take place across the UK. The top 10 scoring competitors from this stage will be notified by late summer and invited to progress to the UK Final.

To help finalists prepare ahead of the UK final they will be invited to a Technical Training day with industry specialists, to arm them with the skills and mindset needed to achieve success.

**6 UK FINAL** The UK Final will be a 2.5 day competition (venue TBC) where competitors will carry out a complex installation task and will be judged against a strict marking criteria.

Any UK finalists demonstrating an extremely high quality of work could be invited to compete against electricians from all over the globe at the next WorldSkills international competition.
