Website Development Competition

Join our **Website Development Competition** to boost your skills and employability!

Web Designers via coding and software design construct and implement websites, using creative and technical skills. Web design encompasses skills and disciplines in the production and maintenance of websites, from design, scripting and database management.

Examples of the skills you will demonstrate during the competition:

- Confident in HTML, CSS and good website design practices
- Creativity
- Programming

Registration

- Registrations are open between 26 February and 28 March 2024
- Top performers in National Qualifiers move on to the National Finals in November
- For registration inquiries, contact enquiries@worldskillsuk.org or call 0800 612 0742.
