

# Aircraft Maintenance Competition

worldskillsuk  
excellence at work

BAE SYSTEMS

Join our **Aircraft Maintenance Competition** to boost your skills and employability!

Aircraft maintenance engineers maintain, repair, service, install and test components of aircraft and aircraft systems. This competition is designed to reflect the role of an aircraft engineer and the standards expected within the aviation industry.

Examples of the skills you will demonstrate during the competition:

- Troubleshooting
- Problem-solving
- Project management

## Registration

- Registrations are open between 26 February and 28 March 2024
- Top performers in National Qualifiers move on to the National Finals in November
- For registration inquiries, contact [enquiries@worldskillsuk.org](mailto:enquiries@worldskillsuk.org) or call 0800 612 0742.
