Join our **Automotive Technology Competition** to boost your skills and employability!

Automotive technology covers the maintenance/inspection, repair of vehicles and a range of skills. Technicians are trained in all areas of vehicle mechanics and electronics, from engine and exhaust systems to air conditioning and security features. Examples of the skills you will demonstrate during the competition:

- Use current technology
- Use mathematical ideas and techniques
- Problem solving

Registration

- Registrations are open between 26 February and 28 March 2024
- Top performers in National Qualifiers move on to the National Finals in November
- For registration inquiries, contact enquiries@worldskillsuk.org or call 0800 612 0742.
