CNC Milling Competition

Prifysgol Cymru
Y Drindod Dewi Sant
University of Wales
Trinity Saint David

Join our **CNC Milling Competition** to boost your skills and employability!

CNC milling employs computerised controls and rotating multi-point cutting tools to produce a custom-designed part or product. Competitors work to a brief using CNC tools to create products and components used in engineering and manufacturing.

Examples of the skills you will demonstrate during the competition:

- Safe handling of machinery
- Interpret drawings
- Process planning

Registration

- Registrations are open between 26 February and 28 March 2024
- Top performers in National Qualifiers move on to the National Finals in November
- For registration inquiries, contact enquiries@worldskillsuk.org or call 0800 612 0742.
