ENGINEERING  
**SKILLS**  
COMPETITIONS

**BAE SYSTEMS**

Join our **Metal Fabricator Competition** to boost your skills and employability!

Metal fabrication is key to the engineering industry and covers a range of fabrication and welding skills in heavy plate, structural steel, the manufacture of machines, for types of production lines, construction machines and equipment.

Examples of the skills you will demonstrate during the competition:

- Reading fabrication drawings
- Thermal cutting accurately to varying tolerances
- Assembling previously made parts, and welding using the MAG and TIG welding processes

## Registration

- Registrations are open between 26 February and 28 March 2024
- Top performers in National Qualifiers move on to the National Finals in November
- For registration inquiries, contact [enquiries@worldskillsuk.org](mailto:enquiries@worldskillsuk.org) or call 0800 612 0742.
