Join our **Fire Detection and Alarm Systems Competition** to boost your skills and employability!

Fire detection and alarm system engineers are responsible for fire safety systems. Engineers make users feel safe in their homes, businesses and public spaces. This competition reflects standards, laws and regulations expected at industry level.

Examples of the skills you will demonstrate during the competition:

- Installation
- Maintenance
- Design

## Registration

- Registrations are open between 26 February and 28 March 2024
- Top performers in National Qualifiers move on to the National Finals in November
- For registration inquiries, contact [enquiries@worldskillsuk.org](mailto:enquiries@worldskillsuk.org) or call 0800 612 0742.
