Industry 4.0 Competition

BAE SYSTEMS

FESTO

Join our **Industry 4.0 Competition** to boost your skills and employability!

Industry 4.0 is the concept of revolutionising factories using new technologies. The competition includes PLC & HMI programming, developing SCADA systems for displaying data, use of Augmented Reality, creating a digital twin, and data analysis.

Examples of the skills you will demonstrate during the competition:

- Problem-solving
- Programming
- Analytical skills

Registration

- Registrations are open between 26 February and 28 March 2024
- Top performers in National Qualifiers move on to the National Finals in November
- For registration inquiries, contact enquiries@worldskillsuk.org or call 0800 612 0742.
