excellence at work

NEW  
COLLEGE  
LANARKSHIRE

**BAE SYSTEMS**

Join our **Mechanical Engineering: CAD Competition** to boost your skills and employability!

Computer Aided Design (CAD) uses software to create images and animations of projects in manufacturing, advertising and manuals. Competitors will produce animations with their performance tested on their use of CAD in producing such projects.

Examples of the skills you will demonstrate during the competition:

- Technical knowledge and expertise
- Methodical
- Accuracy

## Registration

- Registrations are open between 26 February and 28 March 2024
- Top performers in National Qualifiers move on to the National Finals in November
- For registration inquiries, contact [enquiries@worldskillsuk.org](mailto:enquiries@worldskillsuk.org) or call 0800 612 0742.
