Mechatronics Competition

Join our **Mechatronics Competition** to boost your skills and employability!

Mechatronics includes mechanics, pneumatics, electronically controlled systems, programming, robotics, systems integration and development. Competitors will apply their theoretical knowledge and practical skills and will be tested on understanding of logic circuits, design and fault-finding skills.

Examples of the skills you will demonstrate during the competition:

- Analytical skills
- Technical skills
- Judgement

Registration

- Registrations are open between 26 February and 28 March 2024
- Top performers in National Qualifiers move on to the National Finals in November
- For registration inquiries, contact enquiries@worldskillsuk.org or call 0800 612 0742.
