SHINING 3D

UltiMaker

Join our **Additive Manufacturing Competition** to boost your employability! This competition focuses on CAD software design, alongside FDM 3D Printing and 3D scanning. Competitors will be tested on their performance using innovative Additive Manufacturing skills to prototype and produce 3D models and products.

Example skills you will demonstrate:

- Numerical skills
- Problem solving
- Attention to detail

Registration

- Registrations are open between 26 February and 28 March 2024
- Top performers in National Qualifiers move on to the National Finals in November
- For registration inquiries, contact enquiries@worldskillsuk.org or call 0800 612 0742.
