- ☐ Home address (including post code)
- ☐ Date of birth
- ☐ Apprenticeship status

Training provider / college / employer details

- ☐ Organisation name
- ☐ Address including postcode
- ☐ Point of contact name (must be the learners tutor/lecturer/employer)
- ☐ Point of contact phone number
- ☐ Point of contact email address
- ☐ Unique Learner Number (optional)

1

Visit [our website](#) to find out more about the competitions we deliver, including what they involve, the entry criteria and access to our pre-competition benchmarking resources to help you to prepare learners to be competition ready, including our [Learning Lab](#).

Each competition has its own webpage, detailing pre-competition activity and technical guidance to assist you in deciding who to register. You can also [register your interest](#) in advance, receive reminders about deadlines.

2

From Monday 2 March, click on the 'registrations are open' button to access the registration form.

3

Register your learners. You will receive a confirmation email to confirm your part of the registration has been completed.

4

Follow up with your learners to ensure they have accepted the terms and conditions. They will have received an email asking them to do so. **Without their acceptance, the registration will not be complete.**

Registration period 2-27 March 2026
